
CHAIRMAN'S ADDRESS

May I welcome you to this year's play "Semi-Private". This is our Producer Margaret Ryan's fifth successive production for the Society.

Margaret will herself go "Semi-Private" in the New Year, for her and husband Kieron's own production. (They are expecting their first baby).

We send the expectant parents our very best wishes, and look forward to welcoming our newest member of the Society.

We are again indebted to Ann and Larry Mulvaney for the use of The Mountain View and also our patrons and sponsors. Our next production is the musical "Annie Get Your Gun". New members always welcome. For details please phone 955045.

Wishing you a most enjoyable evening.
