A Word from our Chairman

Good evening, and a very warm welcome to you on behalf of GM & DS. Well, it's been a very busy and productive year for our Society as we celebrate our 21st season in existence.

We began the year with a very successful production of 'Oklahoma' which drew record crowds to St. Tiernan's Hall. Then during the summer we acquired the rights to perform this play and we've been working ever since. We are particularly proud of the fact that this is the second Irish Amateur Premiere we have produced and what a cracker it is! (House of Frankenstein in 1990 being the first).

Celebrations for this year will end with our annual Dinner Dance, always a fantastic night, but of course, then we're straight back into rehearsals for next year's Musical, the very popular 'Carousel'.

Of course, we wouldn't exist without our many generous sponsors and patrons who continue to support us through the years and in particular you, our faithful audience without whom there wouldn't be a GM & DS.

So please, relax and enjoy Ray Cooney's hilarious comedy 'Run for Your Wife'.

 Synopsis

John Smith is a London Cabbie, with a wife in Streatham, a wife in Wimbledon and a knife-edge schedule. So far, he has been a successful stuffed bigamist for 3 years, until one day, having intervened in a mugging, he is taken to hospital with concussion. In the ensuing complications, aided by an unwilling Stanley, John tries to bravely cope with a succession of prying policemen, the press, two increasingly irate wives and a very gay neighbour. The result is an hilarious romp.
